

Doing Family Right

Dr. Dave Currie is a relationship warrior. He battles daily to help people thrive in their most important relationships—the number one being with GOD. As an international speaker and pastor for nearly 4 decades, he and wife, Donalyn, founded **Doing Family Right** in January 2010, a ministry designed to inspire people to follow God's blueprint for life and marriage, especially to reach out in creative ways to those with no faith roots.

Dr. Dave is a brilliant communicator and charismatic force empowering people with innovative and God-honouring advice that men respect and women trust. He has spoken with many groups, the likes of which are the Billy Graham Evangelistic Association, Promise Keepers, Focus on the Family, and FamilyLife.

Dr. Dave was producer and host of the TV Talk Show "Marriage Uncensored with Dave
